Dress your STAFF to impress

& INSPIRE CUSTOMER CONFIDENCE!

In the hospitality industry first impressions count. Premier can help you to win customers, and secure those all important star ratings with uniform choices that inspire confidence. The appearance of staff is a great indicator of how an establishment is managed. From the moment a guest walks through the door, the right uniform will whet their appetite for what lies ahead.

Dress to impress with hospitality wear that's as clean, crisp and elegant as the linen in your guest rooms, or as rich and colourful as the dishes you serve on your menu. With our inspirational colour combinations you can make a style statement that will help your brand stand out and keep your customers coming back for more.

Interior design is what gives your hotel its unique personality, from your choice of furniture and fabrics, to the accessories and details that help bring it to life. At Premier we design our uniform choices with that same idea in mind, so you can create a stunning impression that works effortlessly from reception, right through to the kitchen.

Colour is king. Take inspiration from your décor and choose hints of colour for shirts or waistcoats. Front of house staff can reflect bold apron choices in satin ties they wear. Maybe you prefer to minimise your style with monochrome pieces with shades of cool grey. Our palette extends to 50 incredible colours that all work beautifully together – just like you and your staff.

ETHICAL

At Premier we aim to achieve the highest ethical and environmental standards and we only like to work with manufacturers that do the same. To make sure our credentials are impeccable we have a detailed code of conduct that's integral to the way we do business and all our suppliers and their sources must sign up to it. It's based on the very best employment ethics, health and safety practices and environmental considerations. So when you purchase any of our goods you can be sure that they have been produced lawfully, through fair and honest dealing, in decent working conditions and without exploiting the people who made them. Any environmental impact during production and transportation has also been kept to a minimum.

Premier also has the right to run audits and spot checks, personally or via external parties, on our suppliers' premises without their prior knowledge to verify that they are behaving in an appropriate manner and upholding our values. Just one more way that you can trust us to make a difference to people and the planet.

All our factories are WRAP or BCIS approved.
